9. **New Business: Joe Cox Baseball Letter attached to this correspondence**

Below is a letter from a former Thunderbolt athlete Joe Cox who is coaching a summer league team comprised of several current Millville Baseball Players. The letter is self-explanatory requesting any individuals who would like to contribute to their shortage of funds can do so. As I explained to Joe, it has been the policy of the Thunderbolt Club not to engage in any outside fundraisers. The clubs mission is to support athletics at the High School and in opening it up to outside requests we would be inundated and could not possibly support them all. However, we have in the past sent out a request to club members who would like to contribute to this request to support these young men in their summer league baseball program are welcome to do so. Joe has included his as well as other coaches phone numbers so feel free to contact any of them with any questions. You can be assured that your contribution will be used properly.

10. **Next Meeting June 5, 2013 @ 7:30 pm (Tentative because of softball banquet)**
